

MAKING IT VERY EASY TO USE...

Adding our Website to your Smartphone or Tablet's Home Screen

To do this one-time set-up on an iPhone, iPad (or Android device), please follow these 5 simple steps...

1. On your Smartphone or Tablet please click this link to go to abchockey.net
2. On the Website's 'THE HIVE' (our Home page), tap the ACTION button (the square with the up-arrow icon) next to the bookmark option
3. Scroll down the page to 'ADD TO HOME SCREEN' and tap to select...
4. On the next screen (and for easy viewing), tap the 'top description' sentence (One of the friendliest Clubs in Auckland..), and 'DELETE' the words...
5. Then replace them with 'ABC' and tap 'ADD'...

That's it!

An ABC icon will now show on your Home Screen
When you want to visit, simply tap ABC and you're in!
(Move it next to, and then use just like Facebook and Instagram apps)
